Upcoming November Events at Shades of Development

Lights on After-school

Thank you so much for the awesome turnout for our Lights on After-school event last month. The kids did a great job on their artwork. Megan Campbell worked hard on the face painting! Its nice to have families who are so involved.

Social Media

Many of you are unaware, but we have both a Facebook and Instagram page for our Shades of Development here at New Hopewell. This is an opportunity for you to see pictures and reminders for things going on here at our program.

Halloween Party

Thank you so much for the donations for the Halloween Party. The kids had a great time!

Reminders for November

We had three new kids sign up which brings our number up to 16 kids. Our goal is to get to 20 children enrolled. If you know of anyone at the school who is looking for childcare, please send them our way!

I sent out a parent survey this past week which was about the SHADES summer program. If you did not receive this email please let me know. This will be the first summer doing a program here at New Hopewell so we would love your feedback on what you would like to see for your children.

Just a reminder that SHADES will be closed for Thanksgiving Break, Wednesday through Friday.
