The registration process must be completed as outlined to have a space reserved for SHADES Summer Afterschool. The registration process begins with pre-registration through our website or MyProcure. You will then be contacted to attend an orientation, and given a deadline to submit paperwork and any applicable fees. Summer school participants in need of drop in services on June 2nd June 26th and/or June 27th must complete a drop in agreement and reserve space as outlined in the agreement. Drop-in services are based on availability.
