

This addendum is to clarify changes in expectations and policies related to the SHADES Summer Afterschool Program that are different from the school-year afterschool program.

1. When you enroll in the SHADES Summer Afterschool program you are committing to reserve and pay for a space in the program for all 16 days according to fee schedule outlined in the Summer Afterschool *Services Needed* form.
2. Registration paperwork and fees are due by the date designated by the director when scheduling an orientation. Failure to submit paperwork fees and attend the scheduled orientation will forfeit your child's space and the next student on the pre-registration list will be contacted.
3. Upon approval, tuition may be paid in three equal installments according to the designated payment schedule.
4. The program starts on June 3, 2025 and concludes on June 25 2025. Only afterschool hours will be available to your child during the 16 days of KCS Summer Learning Camp.
5. Participants that need care on June 2, 26, and/or June 27, 2025 may participate in SHADES drop-in program, and are subject to the terms and policies of the drop in program. Spaces are based on availability and are not guaranteed without a confirmed space reservation.
6. There is a non-refundable registration fee of \$15.00 for one student or \$25.00 for two or more students in the same family.
7. The cost for the program is indicated on the Service Needed Form. DHS Vouchers are accepted. All fees incurred that are not covered by the DHS Voucher are the responsibility of the participant.
8. Afterschool Summer School participants are not eligible to participate in the SHADES full-day Summer Camp program during the 16 KCS Summer Learning Camp days. (Note: A separate registration for SHADES Summer Camp is required.)
9. All other terms and conditions outlined in the SHADES 2024-2025 school-year Parent Handbook apply.
